

BAWTRY HALL

YOUR PERFECT WEDDING DAY AWAITS

WELCOME

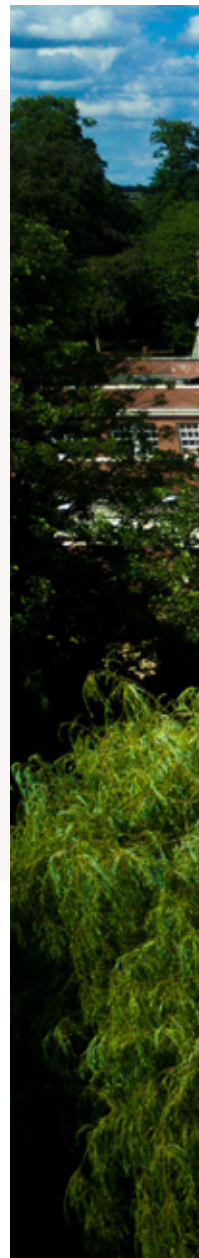

A note from the owners

Firstly, a huge congratulations on your wedding and the start of the wedding planning journey!

We would love to host your special day at Bawtry Hall! The perfect choice if you are looking for a stunning exclusive use wedding venue set in acres of grounds & woodland! Your day is truly just about you, your family and friends.

The hall has a rich history prior to us, initially being built as a country family home for the prosperous Milnes wool-merchant family in 1785 it was then passed to Major George Peake and was used by the RAF during the second world war. The hall was then known as Bomber Command. However, the stunning architecture of Bawtry Hall lends itself to being the exclusive use wedding venue it is today, restored by us in 2017.

We look forward to showing you around on a personal tour, meet our team and chat through your wedding day ideas. We host wedding showcases throughout the year so you can enjoy some wedding inspiration with a glass of fizz, canapes and live music. Our team are on hand via email and phone throughout the planning stages and up to your wedding day – any question please just ask us!

EXCLUSIVELY YOURS

Perfectly situated on the Yorkshire and Nottinghamshire borders, Bawtry Hall is located in the picturesque market town of Bawtry making the ideal weekend wedding base for you and your guests.

We hope you will love the juxtaposition of Bawtry Hall with its grand exterior and façade, and interior which is contemporary, yet elegant! Our grounds and gardens give you stunning outdoor private space, but being located close to Bawtry town means you can make a full 'wedding weekend' if you wish – enjoy the restaurants, wine and cocktail bars the night prior to your wedding day with friends and family.

Many describe Bawtry Hall as the perfect 'party house' with elegant rooms within which can be used to create your wedding day dream.

A 'must see' is our indoor seven metre blossom tree located next to our grand staircase – perfect to capture your wedding photographs!

“Attended my sister’s wedding last weekend at Bawtry Hall. Of course it is a beautiful venue but I have to say I was absolutely blown away by the staff working the wedding. Everyone was so friendly and seemed to know what you wanted before you even asked for it, there was never a queue at the bar, nothing was too much trouble for them and they were just generally really lovely people. The food was incredible and the event ran so smoothly. Libby was amazing and I believe the other staff working were Jamie, Matt O, Flynn, Molly and Matt C. Really sorry if I’ve missed anyone!”
